Sir

Before returning the vouchers for the gold and silver medals furnished to the War Department I desire to understand the provisions of the circular of the First Auditor, October 20th 1867, to which you refer, as I have no copy of said circular at hand.

Since the material out of which the medals were made, the cost of mounting, cases and of assays have been advanced out of the Medal Fund, I cannot see how I am to be reimbursed for these payments unless the money due from the War Department be paid, as heretofore, directly to me so that it can be applied to the deficiency in the Medal

Fund arising out of the expenses of filling this order.

On December 11th in compliance with the order of Mr. Arthur Uhl, Secretary of the St Louis Agricultural and Mechanical Association I forwarded to his address C.O.D. 15 large and 4 small silver medals and 4 large bronze medals for the Association.

I learn from the Agent of the Adams Express Company that Mr Uhl although notified to accept the package some three or four times refuses to do so, nor can I get any communication from him though I have written him twice since the goods were shipped to urge prompt payment and thus enable me to adjust my accounts for the year ended Dec. 31.
